The Peugeot 208 has surpassed 20,000 model sales in the UK following its commercial launch in 2020.

The achievement comes as Peugeot celebrate 10,000 sales across its hybrid and electric vehicles, with the brand set to offer an electrified variant across its entire line-up by 2025.

Synetiq, Britain's largest integrated salvage and recycling company, has re-stated its

commitment to a more sustainable future which reduces reliance on new parts and increasing pollution.

With growing green parts usage, and an increased focus on corporate and social responsibility, Synetiq is leading the way in creating a sustainable future for motoring, a journey that Synetiq has termed 'The Road to Tomorrow.'

Rolls-Royce Motor Cars says Anders Warming has been appointed Director of Design from 1 July.

Warming, 48, experience includes almost 20 years in senior positions in the BMW Group, including Head of Design at MINI and Exterior Chief Designer at BMW.

The famous Ace Café in North London which hosted bike and car events over eight decades is now being supported by Hagerty insurance.

It has a packed calendar of meets now that restrictions have been eased and these will in future be branded "powered by Hagerty".
